

भारत सरकार (GOVERNMENT OF INDIA)
रेल मंत्रालय (MINISTRY OF RAILWAYS)
(रेलवे बोर्ड) (RAILWAY BOARD)

No.TC-I/2014/103/2

New Delhi, dt. 28 .01.2015

General Manager (Comml.)
All Zonal Railways

Sub: Electronic Transmission of Railway Receipt (eT-RR)

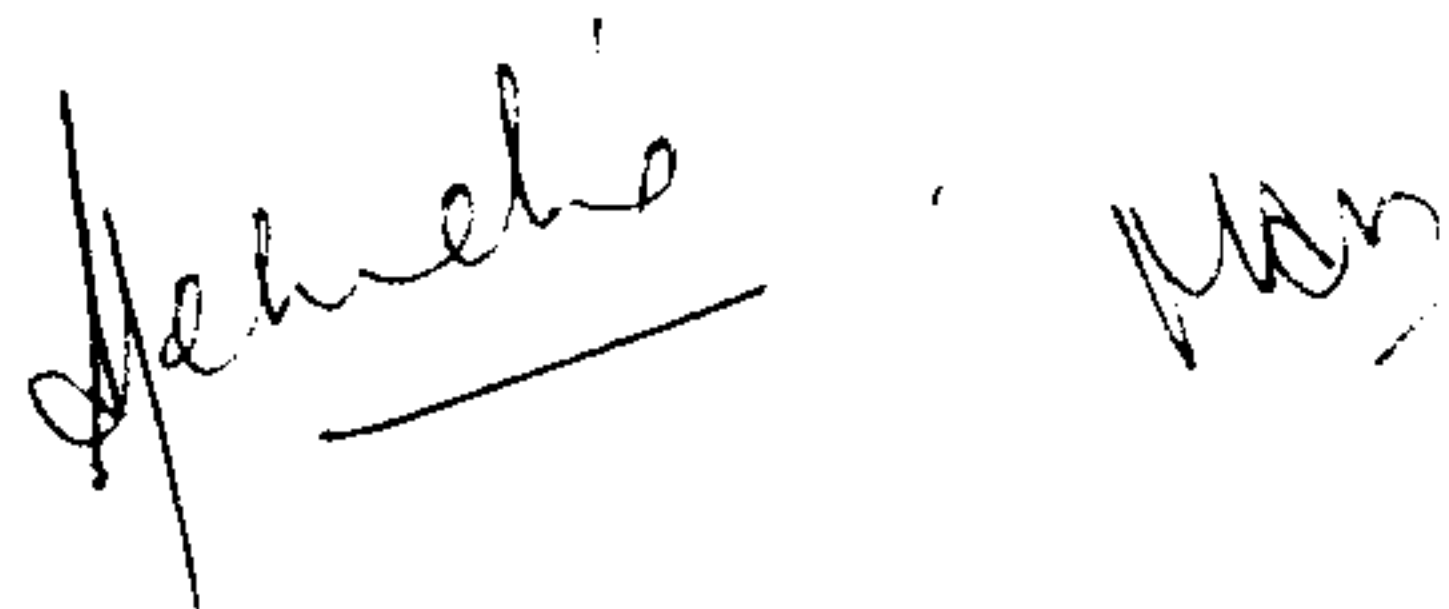

Zonal Railways may recall that recently Board had introduced electronic registration of demand for wagons through FOIS so that doing freight business with Railways become more accessible, transparent and convenient. Taking this initiative further, it has now been decided to introduce the system of electronic transmission of Railway Receipt (eT-RR) through FOIS as a pilot project. This will eliminate the problems faced by the customers whenever the rakes have reached destination earlier than the RRs themselves.

2.0 PRACTICE

Presently, Railway Receipt (RR) is prepared at the forwarding station after completion of loading through TMS. Four foils are printed namely Receipt (RR), Transit Invoice, Accounts Foil and Record Foil. RR bears the signature of goods shed staff. Its electronic image can be viewed at the destination by goods shed staff in the TMS. RR printed (on pre-printed stationery) is given to the rail customer (viz. consignor), who further transfers it to the consignee through post or courier. Endorsement of RR is done manually. At destination station, delivery of consignment is given on surrender of original RR by customer duly taking signature of the invoiced or endorsed consignee(s) on the delivery register.

3.0 CONCEPT OF eT-RR

Electronic transmission of Railway Receipt (eT-RR) envisages a user friendly and paperless transaction system wherein RR will be transmitted electronically to rail customers. Customers (consignor and consignee both) wishing to avail this facility will have to pre-register themselves as per the procedure laid down for registration of demand for wagons electronically(e-RD) through FOIS. At the time of booking, the customer may opt for eT-RR. After completion of loading, eT-RR will be generated in the system, which can be accessed by the customer on FOIS. The consignor will be able to transfer the eT-RR to registered user of his organization or to invoiced consignee(s) through FOIS. Delivery of consignment will be given

on e-surrender of eT-RR by the consignee as per the procedure prescribed below. The procedure of e-surrender will also be applicable in case of rebooking/diversion. Detailed guidelines are contained in this circular.

4.0 REGISTRATION OF CUSTOMER

Rail customers wishing to avail the facility of electronic transmission of Railway Receipt(eT-RR) would be required to pre-register themselves (consignor and consignee both) as per the procedure laid down for registration of demand for wagons electronically(e-RD) through FOIS.

5.0 PROCEDURE FOR GENERATION AND TRANSMISSION OF eT-RR

- 5.1 At the time of booking, registered customer will have to opt for issue of eT-RR and this option will be captured in the system.
- 5.2 After completion of loading, eT-RR would be generated and transmitted through FOIS. Goods clerk will continue to be responsible for correct preparation of RR as per extant guidelines. Once eT-RR is generated and freight charges are collected, no correction will be permitted in it. It is, therefore, mandatory for Goods clerk to carry out correction(s), if any, before collection of freight and transmission of eT-RR. Zonal Railways should ensure that all steps are taken to educate the Goods clerks so that the system of manual corrections of RR is eradicated well before the implementation of eT-RR as manual correction(s) will no longer be possible.
- 5.3 eT-RR will capture the (i) name and designation of the Goods clerk issuing the eT-RR, (ii) time of transaction and (iii) location of transaction. The present practice of an omnibus password for TMS for all the goods clerk posted at a location should be immediately discontinued since the eT-RR system needs to capture the name of the goods clerk preparing the eT-RR.
- 5.4 In case where more than one RR is issued for a rake, all such RRs should either be eT-RRs or normal RRs i.e. those issued on preprinted stationery. A combination of the two is not permitted.
- 5.5 As and when eT-RR is generated, a system generated message (containing the unique Freight Number Record viz.FNR No.) will be sent to the consignor on registered email id and/or SMS to registered mobile number stating that it can open and view the details of eT-RR.
- 5.6 System will also send a PDF copy of eT-RR to the consignor. The consignor can take a print of the eT-RR(PDF format) for the purpose of record. The eT-RR will carry a disclaimer stating that this is a system generated statement for the purpose of record only.

Abhishek - *Mdunq*

6.0 PROCEDURE FOR VIEWING, TRANSFER AND SURRENDER OF ET-RR BY CONSIGNOR

6.1 Procedure for viewing eT-RR:

For viewing the eT-RR, the consignor shall login the e-demand module on FOIS using his user ID and password and choose eT-RR icon. The system will direct him to fill the FNR No. and the password. On entering the same, the consignor will be able to view the details of eT-RR. The consignor will be directed to choose any one of the following options:-

- a) transfer of eT-RR to any of the registered users of his organization or to the invoiced consignee
- b) surrender of eT-RR to railways for issue of supersessional RR

6.2 Procedure for transfer of eT-RR to any of the registered users of his organization or to the invoiced consignee

- a) The consignor will be able to transfer the eT-RR through the FOIS system only. For this, he will need an OTP which will be sent by the system after the request is made.
- b) As and when eT-RR is transferred, a system generated message (containing unique FNR No.) will be sent through email/SMS to the consignee/registered user of consignor's organization, as the case may be, stating that it can open and view the details of eT-RR on FOIS system. A confirmation message of 'successful transfer' will also be sent to the consignor.

6.3 Procedure for surrender of eT-RR for the issue of supersessional RR

- a) For surrender of eT-RR for the issue of supersessional RR, consignor will need to choose that option and will need an OTP which will be sent to him once the request is made.
- b) On successful e-surrender, a Transaction slip will be generated by the system which shall contain an unique Transaction ID as well as the transaction details like RR number(s), time and location of surrender, name and ID details of consignor or his authorized agent (whose name, ID card type and number will need to be entered), station where it has been surrendered etc. A message to the effect, that the transaction is successful, will be sent to the Consignor on his registered e-mail id and registered mobile number. A pop up message will also appear on the TMS screen of the concerned station.

affirmed *Man*

- c) The consignor/authorized agent will need to print the Transaction Slip and approach concerned Goods clerk alongwith print of eT-RR(PDF copy supplied by the system) for issue of super-sessional RR, Goods clerk will enter the Transaction ID into the system and complete the task of diversion. The Goods Clerk will, thereafter, issue a supersessional RR on pre-printed stationery i.e., supersessional eT-RR will not be generated.

7.0 PROCEDURE FOR VIEWING, TRANSFER AND SURRENDER OF ET-RR BY CONSIGNEE

7.1 Procedure for viewing eT-RR

After receipt of message of successful transfer of eT-RR, the consignee shall login to the e-demand module on FOIS using his user ID and password and choose the eT-RR icon. The system will direct him to fill the FNR No. and the password. On entering the same, the consignee will be able to view the details of eT-RR. The consignee will be directed to choose any one of the following options:-

- a) transfer of eT-RR to any of the registered users of his organization
b) surrender of eT-RR to railways- (i) for taking delivery of the consignment **or** (ii) for rebooking of consignment **or** (iii) for issue of supersessional RR

7.2 Procedure for transfer of eT-RR to any of the registered users of his organization:

- a) The consignee will be able to transfer the eT-RR through the FOIS system only. For this, he will need an OTP which will be sent by the system after the request is made.
b) As and when eT-RR is transferred, a system generated message (containing unique FNR No.) will be sent through email/SMS to the registered user of consignee's organization, stating that it can open and view the details of eT-RR on FOIS system. System will send a PDF copy of eT-RR to the consignee. A confirmation message of 'successful transfer' will also be sent to the consignee.

7.3 Procedure for surrender of eT-RR to railways for the purpose of delivery/rebooking/issue of supersessional RR

- a) For surrender of eT-RR, consignee/registered user of his organization will need to choose that option and will need an OTP which will be sent to him once the request is made. He will surrender the eT-RR by choosing the requisite option viz.(i) for taking delivery of the consignment **or** (ii) for rebooking of consignment **or** (iii) for issue of supersessional RR.
b) On successful e-surrender, a Transaction slip will be generated by the system which shall contain an unique Transaction ID as well as the

Alchudis
Man

transaction details like RR number(s), time and location of surrender, name and ID details of consignee or his authorized agent (whose name, ID card type and number will need to be entered), station where it has been surrendered etc. A message to the effect, that the transaction is successful, will be sent to the consignee on his registered e-mail id and registered mobile number. A pop up message will also appear on the TMS screen of the concerned station.

- c) The consignee/authorized agent will need to print the Transaction Slip and take the same to the concerned Goods clerk for the purpose of delivery/rebooking/issue of supersessional RR alongwith a print out of eT-RR (PDF format supplied by the system).

8.0 PROCEDURE FOR GIVING DELIVERY/REBOOKING OF CONSIGNMENT/ISSUE OF SUPER-SESSIONAL RR BY GOODS CLERK

8.1 Procedure for delivery of consignment

- a) Delivery of consignment will be given to the person, who produces the transaction slip alongwith the print out of eT-RR(PDF format supplied by the system) to the goods clerk. The goods clerk will match the identification details of the person as captured in the FOIS/TMS.
- b) Goods clerk will fill in requisite details in the delivery option provided in the system. Once Goods clerk submits delivered option, a 'successful delivery' message will be sent by the system to the consignee through email/SMS.
- c) Goods clerk will also keep the print out of the e-surrender Transaction slip in record and obtain signature of the person taking delivery in the Delivery register duly mentioning the Transaction ID.
- d) At the time of delivery, goods clerk will check the correctness of eT-RR and collect any amount due as per extant rules. System will provide the facility to capture the details of such recovery and its linkage with the concerned eT-RR.
- e) Where railway administration delivers the consignment to the person who produces the e-surrender Transaction slip alongwith the print out of eT-RR (PDF format supplied by the system), it shall not be responsible for any wrong delivery on the ground that such person is not entitled thereto or that the transfer/surrender of eT-RR is forged or otherwise defective.

Handwritten signature: M. M. M. M. M.

8.2 Procedure in case of partial delivery

In case when delivery of consignment has been withheld by railway administration and/or partial delivery of consignment is given, Goods clerk will put relevant remarks in the column provided in the e-surrender Transaction slip. After matching RR details captured in the FOIS/TMS, Goods clerk will sign and stamp the transaction slip as well as the print out of eT-RR (PDF format supplied by the system) and give it to the person taking delivery. A copy of transaction slip with relevant entry will also be retained by the goods clerk for record.

8.3 Procedure in case of rebooking of consignment

When consignee/authorized agent approaches concerned Goods clerk for rebooking of consignment alongwith the print out of Transaction Slip and PDF copy of eT-RR, Goods clerk will enter the Transaction ID into the system and complete the task of rebooking. The Goods Clerk will, thereafter, issue a normal RR on pre-printed stationery i.e., fresh eT-RR will not be generated in the case of rebooking.

8.4 Procedure for issue of Supersessional RR

When consignee/authorized agent approaches concerned goods clerk alongwith the print out of Transaction Slip and PDF copy of eT-RR for issue of supersessional RR, Goods clerk will enter the Transaction ID into the system and complete the task of diversion. A message will be sent by the system to the TMS at originating station that the eT-RR has been surrendered for the purpose of issue of supersessional RR. The goods clerk of originating station, on receipt of such message, will issue a supersessional RR on pre-printed stationery i.e., supersessional eT-RR will not be generated.

9.0 GENERAL

- 9.1 Accounts Foil of eT-RR will be transmitted to concerned Traffic Accounts office and retained in electronic form. Record Invoice will be retained in electronic form in the system of originating station. The foil intended for destination will be transmitted in electronic form and goods clerk will be able to open and view its details.
- 9.2 In place of Transit foil, the system will provide the facility of viewing eT-RR details, as and when required, by Tax authority of respective State Government/Central Government.
- 9.3 CRIS will also provide the facility of viewing eT-RR details, as and when required, by the Service Tax authority.

Ahmed

MAN

- 9.4 In case of technical error (like system breakdown or network failure) when eT-RR could not be generated or transmitted, the normal RR on preprinted stationery may be given to the customer after Goods clerk has obtained due permission from Sr.DCM/DCM incharge who will in turn take due confirmation from CRIS.
- 9.5 System will provide Zonal Railways the facility to view transaction log for each transaction, on real time basis.
- 9.6 All extant guidelines pertaining to RR will continue to apply in the case of eT-RR to the extent modified by this circular.
- 9.7 The system of eT-RR will be applicable for the freight traffic originating from one station/siding by a single consignor. It will not be available for traffic originating from more than one station/siding and/or by multiple consignors. It will not be applicable in the case of iron ore and container traffic.
- 9.8 CRIS will develop the software for eT-RR and will issue secured unique user ID and password for each staff of each goods shed office dealing with the preparation of RR and delivery of consignment. The system should be built in with the features to ensure that all transactions are done in a secured way. The responsibility for obtaining User Id and password from CRIS for all goods staff dealing with the preparation of RR and delivery of goods will lie with the concerned Zonal Railway.

10.0 PILOT PROJECT

The above mentioned guidelines of eT-RR will be implemented as a pilot project for POL traffic originating from HPCL terminal at Loni on Central Railway with effect from **30th January 2015**.

- 11.0 Guidelines regarding secure implementation of eT-RR, protection of user IDs etc. would be issued by C&IS Dte. and the guidelines for reconciliation will be issued by Accounts Dte. of Railway Board.
- 12.0 This issues in consultation with Claims branch of Commercial Dte., C&IS Dte. and with the concurrence of Finance Dte. of Railway Board(Ministry of Railways).
